The circuit is monitored 24x7x365. If your router stops communicating with the carrier's edge router, the technical contact you provide will be notified and a trouble ticket will be opened and worked.

Services are subject to availability. Prices and terms shown may include promotions, promotional prices, and discounts associated with combined purchases. Pricing shown as Total MRC does not include applicable taxes, usage charges, State and Federal Universal Service Charges, Regulatory Cost Recovery Fee, Property Tax Allotment surcharge, and other applicable surcharges and fees for Customers who have not provided proof of valid tax-exemption.

If approval is granted, provisioning start and completion dates will be determined on a per-order basis.
